WELCOME!

The Hospitality House is a joint venture between the Dayton VA Medical Center and District 3 of the Veterans of Foreign Wars. This is the first Hospitality House to be operated by a service organization which is actually located on the grounds of a VA Medical Center.

Due to the extensive primary service area of VA Medical Center, Dayton, which includes 28 counties in Ohio and 1 county in Indiana, families must often drive long distances to visit their loved ones. In addition, the VA Medical Center is not situated in an area of Dayton that provides close access to hotels or motels. Therefore, this Hospitality House was developed to meet the distinct need to provide convenient, comfortable, affordable overnight accommodations to families of seriously ill patients.

We are proud to be able to offer such a unique service to our patients and their families.
